

# T-Tours Fall 2007 Western Workshop

Saturday 9/22/07 through Saturday 9/29/07

T-Tours is proud to announce our Fall 2007 workshop which is headed for the Tetons and Yellowstone National Parks!

We will spend 2 nights in Jackson Hole WY, 3 nights in West Yellowstone, and the last two nights back in Jackson Hole. This workshop will be geared towards landscape photography, so we will be out shooting every sunrise and sunset. During the afternoon light we will rest, drive to a new location or depending on the weather, simply keep shooting if the light is good. This trip will be very easy from a hiking perspective with all photo locations within easy walk from the road.

Price is \$1600.00 per person which covers my fee, hotel, and vehicle charges (including gas plus 2 SUVs). Participants will be responsible for their own airfare and food expenses. You will have to double up in a room or pay an extra \$300 for a single room. So figure about \$2400 to \$2600 in total (depending on airfare & how much food you have).

Please note that though I will shoot occasionally, my primary focus will be on helping the participants with setup, composition and other technical details like reading your histogram and using neutral density filters. You will be responsible for knowing how to operate your camera (i.e. you must know how to activate spot metering, show the histogram on your LCD, put the camera in manual mode, exposure compensation etc.). We will also have evening sessions to review images and go over digital workflow. The intent is to have a good time, get great shots, and learn about photography! You will come home a better photographer!

In order to take the trip, I need a minimum of 3 participants and a maximum of 8 (I will use a second vehicle if we are over 4 participants). In order to reserve your spot, I need an initial deposit of 50% (\$800) when you sign up, and the final payment of 50% (\$800) must be in by **8/1/07**. Cancellation policy will be as follows: If you cancel before 7/22/07 cost is \$300 (i.e. I'll refund \$500 of the \$800 deposit), if you cancel after 8/1/07, cost is \$800 (i.e. I'll refund \$800 of your \$1600 payment). If you cancel after 8/22/07, there will be no refund. In the event that I am able to fill the cancelled slot, I will refund 100% of your funds.

Because of limited space in the large SUVs that I have rented, please follow airline guidelines on one medium size suitcase (max 50 lbs), one camera bag, and one carry on bag suitable for a laptop computer. No exceptions!

Thanks and I hope you can make it! I can tell you for sure you'll have a ton of fun, get some great shots and have one heck of a learning experience.

## Summary:

- 7 Nights – 12 sunrise/sunset opportunities
- Tetons NP & Yellowstone NP
- Cost \$1600 (covers hotels, car rental, gas, and Navajo guide). You pay for food and airfare.

## Client Quote:

"Thanks so much for a great workshop! Every location we visited was wonderful, with lots of possibilities for fantastic photographs. I was thrilled that we made it to more places than originally expected and that you were willing to stop when we spotted something we wanted to shoot. Your instructions and guidance were invaluable - I never would have managed such great photos on my own. Your enthusiasm and good humor kept everyone in the best of spirits. I learned so much, had tons of fun, and came home with some winner shots." Kathy.
