

# T-Tours Winter 2010 Yosemite Workshop

Wednesday 02/17/2010 through Sunday 02/21/10

T-Tours is proud to announce our winter 2010 workshop in Yosemite NP for incredible winter photography in one of our greatest National Parks! This is a short but focused workshop in a single location.

We will spend the first 3 nights in Yosemite with the last night near San Francisco before flying home on Sunday. Hiking on this trip will be minimal and over level snow covered ground. However, I would rate this as moderate hiking because of the potential for slippery snow and ice conditions. **All participants will be required to wear strap on attachments to their boots that prevent slipping on ice if we encounter it (one example is [LL Bean](#) item GG51650).** Weather will be cold, but relatively comfortable with temperatures generally in the low 30's to 40's in Yosemite Valley. Of course, be prepared to have the weather much colder!

Target price is \$1500.00 per person which covers my fee, hotel, and vehicle charges (including gas). Participants will be responsible for their own airfare and food expenses. You will have to double up in a room or pay an extra \$300 for a single room. So figure about \$2000-\$2300.00 in total (depending on airfare and food).

My primary focus will be on helping the participants with setup, composition and other technical details like reading their histograms and using neutral density filters (critical in this location). The intent is to have a good time, get great shots, and learn about photography! You will come home a better photographer and if the weather cooperates, great pictures!

In order to take the trip, I need a minimum of 3 participants and a maximum of 6 (I will use a second vehicle if we are over 4 participants). In order to reserve your spot, I need an initial deposit of \$750 when you sign up, and then a final payment of \$750 (by 12/31/09).

Cancellation policy will be as follows: If you cancel before 12/1/09 cost is \$300 (i.e. I'll refund \$450 of the \$750 deposit), if you cancel after 12/1/09, cost is \$750. Note that if I can find a replacement, I will refund the total amount.

Please note that T-Tours reserves the right to cancel any trip for any reason. In this case, 100% of all funds are refunded.

If you're interested in joining us, please reserve your slot early, as I expect this trip to fill up fairly quickly.

Because of limited space in the minivans that I have rented, please follow airline guidelines on one suitcase (50 lbs), one camera bag, and one carry on bag suitable for a laptop computer.

Thanks and I hope you can make it! I can tell you for sure you'll have a ton of fun, get some great shots and have one heck of a learning experience.

## Summary:

- 4 Nights – 6 sunrise/sunset opportunities
- Yosemite NP in winter
